

NEW SERVICE ON THE RAPID TRANSIT

From Kalihi to Waikiki Turn and Nuuanu Valley to Punahou.

Beginning Sunday morning next, service on the new King street line of the Rapid Transit road will be inaugurated. The test of the line will be made Saturday and the regular schedule will be opened next day.

As soon as the cars are running the plans for the division of the service will be put into action. This will mean that the cars of the Kalihi line will be run through without change from the new terminus at the Waikiki turn to the terminus at the Kalihi. At the same time the Liliha street cars will be run from Wylie street to Alexander street. The two cars will meet at Liliha street, on the Ewa end, and at Alapai street, on the Waikiki end of the Hotel street line, and thence will run through the city together. This will give a ten-minute service over the entire extent of the road.

The running of the two lines means an almost complete parallel of the Tramway lines, the Waikiki line alone being excepted. The Manoa Valley road will be kept as a feeder, the transfer system being maintained.

CELEBRATED THE SILVER WEDDING

Mr. and Mrs. Edward Lillikalani celebrated their silver wedding anniversary yesterday, in honor of which a reception was tendered them last evening by their friends in the basement of the Kawaiaha church. The room was thronged from 7:30 to 9 o'clock, during which time there were periods of congratulation, music, short addresses and presentations of various tokens of esteem. Amongst the latter was a handsome silver-headed cane made of wood taken from the old lumber used in building Kawaiaha, surrounded by a Hawaiian half dollar and surrounded by a silver band upon which was engraved, "1877-E. K. L.-1902." A purse of \$100 in silver was presented to Mrs. Lillikalani. A very handsome silver tea set consisting of sugar bowl, creamer, water pitcher and tray was also among the gifts. The reception ended with the serving of refreshments. Among those who were instrumental in making the reception a success were Mrs. Lillikalani and Rev. Henry Parker.

Drowned at Kuleps.

The beach at Kuleps, Puna, Hawaii, was the scene of a tragedy on June 11, when a young Hawaiian girl lost her life in the surf. The girl, whose name is Apani, formerly of Honolulu, went with others to bathe. While disporting themselves a short distance from the shore an enormous roller came in, and she was swept far out to sea. For some time she could not be seen but her body later appeared in the surf, and later was brought to the beach by a number of men. The girl was about 12 years of age.

Change of Water often brings on diarrhoea. For this reason many experienced travelers carry a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with them to be used in case of an emergency. This preparation has no equal as a cure for bowel complaints. It cannot be obtained while on board the cars or steamship, and that is where it is most likely to be needed. Buy a bottle before leaving home. Benson, Smith & Co., Ltd., wholesale agents, sell it.
